

PROUDLY BREWED ONLY IN CHICAGO

# DOUBLE DRY HOPPED GALAXY HERO

Galaxy-Hero enters the cosmic hop singularity and emerges with a shimmering haze and a double raygun blast of Galaxy, Strata, Nelson Sauvin, El Dorado, and Dolcita hops. Six pounds per barrel of dry hopping explode into a juicy constellation of tropical fruit, citrus and notes of stone fruit. A balanced, refreshing finish keeps you coming back for yet another trip into awe-inspiring orbit.
