**DDH BRUNCH-HERO**

HAZY INDIA PALE ALE

6.8% ABV

A combination of citrus-forward hops with fresh blood orange purée that pairs perfectly with its namesake combination of breakfast and lunch. A hazy, early-rising pour of leisurely weekend bursts with aromas of pineapple, mango, and (you guessed it) orange.

**RED SKULL**

IMPERIAL RED ALE

9.3% ABV

Our Imperial Red Ale is brewed with a blend of four malts and three hop varieties that come together to create a deeply complex beer with a reddish-orange hue. The malt brings a caramel-like sweetness and boozy warmth, while two different dry-hop additions bring citrusy bitterness to round off a very big, very balanced beer.

**TV PARTY**

RYE IPA

TBD ABV

Dust off those remotes and tune in to channel REV because TV Party, our Rye IPA, just got renewed for a fresh season! The toasty rye flavor imparts some late-night tv levels of spice while remaining nicely balanced with a floral hop aroma. This makes for one potent yet bingeable IPA.
