SESSIONABLE IMPERIAL IPA

One of the biggest and baddest IPAs we've ever made, tempered with the satisfying drinkability of a Revolution beer. It may look and feel like a sessionable beer, but it ain't. Six hop varieties including tons of Galaxy infuse this giant IPA with flavors and aromas of pine, passion fruit, and citrus rind. With a surprisingly dry and crisp finish, this is the most drinkable imperial IPA you'll likely ever have. Drink it fresh.
