

Fist City is a Chicago Pale Ale that flashes with citrusy hops and crackles with a light, crisp bitterness. It's the perfect sidekick to relaxing fun, or a refreshing finish line at the end of a long day -- and always a wonderful match to any of our city's famous dishes. This local favorite emphasizes the Statue of the Republic, a gilded statue in Jackson Park built to commemorate the 1893 World's Columbian Exposition. And it's the foundation of the City Series -- classic styles for any session, proudly brewed only in Chicago.
